Rebates are available for the purchase of new ENERGY STAR® or DLC rated bulbs or fixtures. Rebate submittal must follow the guidelines as outlined by cooperative. Cooperative is not responsible for inaccurate information supplied by the bulb or fixture manufacturer. Rebates will be issued only for products on the current list of ENERGY STAR® rated products as of the purchase date. ENERGY STAR® occasionally removes products from qualifying lists, and cooperative will not rebate products that have been delisted as of the purchase date or are mislabeled as ENERGY STAR®. To verify ENERGY STAR® certification for appliances and lighting, visit [www.energystar.gov](http://www.energystar.gov) or call 1-888-STAR-YES. Rebate program is subject to change or cancellation without notice. Call your cooperative to verify rebate program status and availability of rebates.
