

2022 Commercial Industrial Agricultural Program Summary

Agricultural	Rebate
Dairy Free Heater	\$2/cow
Dairy Plate Cooler	\$2/cow
Robotic Milking (Electrification)	\$5,000/stall
Vacuum Pump VSD	\$20/HP
Milk Pump VSD	\$2/cow
Hog Heat Mats	\$30/crate new, \$50/crate retro
Irrigation VFD	\$10/HP
Livestock Waterer	\$75/waterer
Engine Block Timer	\$5/timer
Ventilation Fans	\$15/Exhaust Fan, \$20/Circulation Fan
Agricultural Audits (third party)	up to 75% of cost

Building Studies & Certifications	
Energy Design Assistance (EDA)	Engineering Fees and/or rebate
Energy Audit (third party)	50% of project cost up to \$20,000
Building Certification	
Commissioning (RCx)	

Custom Projects	
Conservation	Varies
Electrification	

Forklifts (Electrification)	
Conversion (fuel switch) 20 hours/week	\$1,000/forklift
Conversion (fuel switch) 40+ hours/week	\$2,000/forklift
Fleet addition (new equipment) 20 hours/week	\$1,000/forklift
Fleet addition (new equipment) 40+ hours/week	\$2,000/forklift
Fleet retention (electric to electric or refurbished)	\$500/forklift
High Frequency Battery Charger	\$500/charger
Try Before You Buy	short term lease

Energy Star Commercial Food Service	
Hot Food Holding Cabinets	Based on size, \$200-\$400
Combination-Oven	\$700
Convection/Microwave Oven	\$75
Electric Fryers & Griddles	\$200
Electric Steamers	\$600
Dishwasher	\$50-\$400
Freezer	\$75
Ice Machine	\$75
Refrigerator	\$25-\$75

2022 Commercial Industrial Agricultural Program Summary

Healthy Buildings		Rebate
Indoor Air Quality Assessment		
	Business Tier 1: under 50 kW peak	100% of cost up to \$500
	Business Tier 2: 50-150 kW peak	100% of cost up to \$1,000
	Business Tier 3: over 150 kW peak	100% of cost up to \$1,500
	State and Local Government facilities	100% of cost up to \$1,500
Advanced Rooftop Controller (ARC)		\$50/ton
Demand control ventilation (DCV)		\$10/ton
supply-fan VSD (via motors and drives program)		\$30/HP
Ultraviolet Germicidal Irradiation (UVGI)		\$0.10/watt

HVAC		Rebate
DX Units (RTUs)		Based on tonnage & SEER/EER/iEER
Air Source Heat Pump RTUs		
Split Systems		
Economizers		\$10/tonnage
PTACs		\$50/ton
Mini-splits		\$100/ton
Ground Source Heat Pump		\$400/ton
Chillers		
	With VSD	\$15/ton + \$2/ton per .1 EER
	Without VSD	\$15/ton + \$1/ton per .1 EER

Lighting		
Retrofit		Varies
Custom Lighting		Varies

Motors & Drives		
Variable Frequency Drive (VFD)		\$30/HP
Variable Speed Drive (VSD)		\$30/HP
Fractional Horse Power Motors (including ECMs)		based on size \$5-\$15/motor

Compressed Air Systems		
Compressed Air Leak Evaluation		50% of project cost with limitations
Cycling air dryer		\$150
Engineered nozzle		\$30
Low pressure drop filter		\$100
No loss drain		\$100
Pressure/flow controller		\$200
Storage Tank (>1 cfm/gal)		\$750

EV Charging		
Public Chargers		\$2,500/charger
Multifamily		
Fleets
