Rebates are available for the purchase of new ENERGY STAR[®] rated appliances. A new refrigerator or freezer purchase must include recycling of the older, working refrigerator or freezer. Rebate submittal must follow the guidelines as outlined by the cooperative. The cooperative is not responsible for inaccurate information supplied by appliance dealers. Rebates will be issued only for products on the current list of ENERGY STAR[®] rated products as of the purchase date. ENERGY STAR[®] occasionally removes products from qualifying lists, and the cooperative will not rebate products that have been delisted as of the purchase date or are mislabeled as ENERGY STAR[®]. To verify ENERGY STAR[®] certification for appliances and lighting, visit www.energystar.gov. Rebate program is subject to change or cancellation without notice. Call the cooperative to verify rebate program status and availability of rebates.

Important:

- Rebates \$300 and under will be issued as a credit to the electric bill. Any rebates greater than \$300 will be issued as a check. MCPA reserves the right to issue rebates as a credit on the electric bill if the member's account is in a "past due status". Allow 6-8 weeks for processing.

- The appliance(s) must be installed within the cooperative's service territory.
- Incomplete forms will not be processed.
